İLBAK

# ILAN MARBLE

Based on Beyşehir, Ilan Marble displays a progressive success graphic in marble block production thanks to corporational identity and power of Ilbak Holding. Initiating global market on natural stone in 2011 via marble quarry investment at Konya Beyşehir Region with Turkey's richest beige marble reserves, Ilan Marble expands its investment and production capacity every day.

土耳其 ILAN MARBLE 以Konya Beyşehir 为基础，凭借公司形象和 ilan 矿业控股公司的强大实力，在大理石荒料生产中逐步取得成功。ILAN MARBLE 于2011年通过在 Konya Beyşehir 地区的大理石矿山投资;拥有土耳其最丰富的米色大理石储备,从而启动了全球天然石材市场, ILAN MARBLE 每天都在扩大其投资和生产能力

E T E R N A L B E A U T Y

永恒的美丽

# BEYOND THE SURFACE 极致的外表

With the belief that investment in human capital yields as quality and customer satisfaction, Ilan Marble builds its sustainable success on strong infrastructure of modern production facilities.

Aiming more natural habitat creation, Ilan Marble centers sales strategy on exportation to all over the world as well as its domestic sales.

Paying attention to marketing and sales organisation, volume of exportation continuously grows due to increased brand loyalty of existing customers' satisfaction.

The ongoing growth of production is accompanied by growth on exportation to particularly Central Asian and Far Eastern destinations.

ILAN MARBLE 相信对人力资本的投资会产生质量和客户满意度, 因此 ILAN MARBLE 的可持续成功建立在强大的现代化生产设施基础上。

为了创造更多的自然栖息地, ILAN MARBLE 大理石将销售策略的重点放在向世界各地出口以及国内销售上。

重视市场营销和销售团队的组建, 由于现有客户满意度和品牌忠诚度的提高, 出口量持续增长。

随着中亚和远东地区的出口的增长, ILAN MARBLE 产量也在持续增长。

# ILAN MARBLE

## A NATURAL GIFT 大自然的礼物

As the typical color of the region, Beige Marble is of great potential in variations of light and medium shades.

Ilan Marble manages to generate homogenous and sustainable beige marble in different tones thanks to qualified consultancy services and convenient production policies.

作为该地区的典型, 在浅色和中等色调方面, 米色大理石具有巨大的潜力。

凭借优质的咨询服务和便捷的生产策略, ILAN MARBLE 成功以三种不同的色调生产出均匀的, 可持续的米色大理石。
